

# Cruise Control Rods

A product of M.B.R.

210 S. 4th. St Hebron NE 68370 402-768-7251 Fax 402-768-6180

[www.MBRnebraska.com](http://www.MBRnebraska.com)

**Cruise Control Rod: Includes: Cadmium plated rod, 'L' bolt, Stainless nut, and Clip.**

Plating may have blemishes. Original rods (1966) had a dull spot where they were hung for plating and some variance in color. These rods bear a similar appearance. Original CAD plating was Cyanide Cadmium. Today's non cyanide cadmium solutions are somewhat brighter. Physical dimensions and bend marks are very close, if not exactly the same.
