#36-R Aluminum Plaque ORDER FORM

Phone 402-768-7251
Fax 402-768-6180
www.MbRNebraska.com

The #36 plaque was first designed in 1936, it has been used ever since on flat, surface type, grave covers and also on a small piece of concrete as an economical way to permanently mark a grave. In recent years this design has been used to label buildings, houses and historical places.
